Students will complete five x 45 minute lessons from 09:30 to 13:30 with a 15-minute break. If students opt for the full day programme they will complete an additional English lesson after lunch and then they will have a choice of two activities which are also taught in English. The Intensive Programme runs for two or four weeks.

Spanish Courses for all age groups and abilities run throughout Summer School and we also offer an Intensive Spanish Course for those students who want to concentrate solely on learning Spanish.

LAS summer allows students to create a program that is tailored to their personal interests and aspirations. Students are invited to select from one of three morning programs: The Language program, Academic program, or Sports program.

Programs are followed by clubs, afternoon activities, and evening socials, each of which uniquely provide opportunities for students to meet other campers from outside their program, be active, participate in team-building activities, and exercise their creativity. Weekend excursions allow students to explore their host country and take in the culture, sights, and sounds of cities like Geneva, Bern, Montreux, and Lausanne.
